This seminar will be instructed by Safe Harbor's Director, Erik Sundquist, LCSW-C. Erik had been a youth pastor for an inner city church for 3 years before laying the foundation for Safe Harbor in 1996. He has also led small groups in churches in various capacities. He has a passion for healthy marriages and family.

"I wonder how many young people have abandoned their faith due to an unhealthy understanding of sex. Mark's book goes a long way to assist parents in laying a foundation of healthy sexuality."
